

Floodplain Development Permit Application

Application #

E-Plan Project #

The undersigned hereby makes application for a Permit to develop in a floodplain. The work to be performed, including flood protection works, is as described below and in attachments hereto. The undersigned agrees that all such work shall be done in accordance with the requirements of Davenport's Flood Damage Prevention [Ordinance 15.44](#) and with all other applicable city/county ordinances and the laws and regulations of the State of Iowa.

Note: If your project costs exceed 25% of your assessed value you must attach a detailed scope of work

The review of your application is to determine if your project conforms to the requirements of the City's Flood Damage Prevention Ordinance. Compliance with the ordinance does not ensure complete protection from flooding.

By signing this document, I certify that all information submitted above is true and correct, and that I have reviewed the additional application information on the reverse side and have submitted all required documents.

I have read and understand the above
